

Handyman – Summer Seasonal

Advent Health Care Corporation, is a not-for-profit, registered charity affiliated with the Seventh-day Adventist Church. It owns and operates Valleyview Residence, a long-term care facility and Forestview Retirement Residence, an independent and assisted living retirement home. Advent is seeking to hire an experienced **Handyman for the summer season**. Candidates should have their own vehicle and have experience with light building maintenance and general landscaping duties.

Interested candidates should send resumes to info@adventhealth.org or contact **416-398-5270 for more information.**
