face shields

> **1,000**

front-line health
workers nourished
with hot meals

> 430

people/families received
psychosocial support

- including blind and visually-impaired people
- online/call
- individual or group sessions

For **under \$15** per person served, Adventists in Canada united to...

- strengthen frontline healthcare workers in the fight against COVID19
- support our seniors and most vulnerable
- serve Indigenous communities

and touched every corner of Canada with God's compassionate love

“Please donate! Because for people like me, if I don’t come here, I don’t eat.”

– client at Parker Street Food and Furniture Bank

“After receiving his iCare package, one homeless community member exclaimed ‘Wow, I was just trying to figure out what I’m gonna [sic] eat. Thank you so much!’. I couldn’t help but smile, even if he can’t see it underneath the mask.”

–Volunteer Runner Barrie SDA Church

“As a group we felt blessed that we had an opportunity to witness to others and show Christ’s unconditional love.”

– Melvin Bartley, pastor of the Iqaluit SDA Group
