STEWARDSHIP REFLECTIONS

Jesus said to him, "You shall love the Lord your God with all your heart, with all your soul, and with all your mind! This is the first and great commandment. And the second is like it: 'You shall love your neighbor as yourself.'" (Matthew 22:37-39, NKJV)

New Year Steward Commitment

As the new year unfolds to us, as God's stewards, why not challenge ourselves to make one commitment (you'll notice I did not say resolution). I believe the most important issue in this New Year is to set priorities for our life in Jesus. It is imperative that we stay focused on the things that are really important.

We find out what is important by reading God's Word. In Matthew, when someone asked Jesus, "Which is the great commandment in the Law?" Jesus answered with what is in our Bible passage for today. Please read it again.

What does that have to do with setting priorities? Those are the priorities: love God and love people. If we do, everything else will fall into place.

It is not late to decide what our priorities will be for 2021, write them down, and ask for God's help in setting those priorities in our daily life this year.
