Hello friend,

Warm greetings to you in Christ!

The Adventist Christian Fellowship - Canada (ACF) Emphasis Weekend promoted in the Canadian Messenger will be held January 14-15, 2022. This initiative is being planned and hosted by the SDACC Youth Advisory, the team of youth directors across Canada, as well as the chaplain at Burman University. On behalf of this awesome team, I thank you for assisting us to promote this worthy event to reach young people attending public post secondary campuses.

It is my belief that there are Adventist students attending public campuses across Canada are committed young people who are on fire for God. Crucially, they serve as missionaries to their public campus, sharing Christ's love through creative, relevant initiatives, while pursuing educational degrees, certificates, and diplomas in subjects of interest.

Yet more could be known about the transformative work Adventist students are accomplishing for God via ACF. The ministry is tasked with the holistic development of students through spiritual growth, outreach, training and social interaction. Thus, it is our hope that you pastors, elders, educational secretaries, youth leaders, parents and other interested persons would join us as we highlight and celebrate this life-changing ministry through the FREE hosting of the Canadian ACF Emphasis Weekend. Our keynote speaker for the event will be Pastor Moises Ruiz (Epic Adventist Church, Red Deer, AB) who will focus on the theme, *"Jesus All: Celebrating Christian Faith on Public Campuses"*.

To register, feel free to contact your youth director or visit:

Thank you for your consideration and God bless you as we collaborate to support Adventist students on public campuses!

Sincerely In His Grip,

Brian Wahl
Chair, SDACC Youth Advisory
