

# Leadership in Logistics

## ARE YOU LOOKING FOR AN EXCITING NEW OPPORTUNITY?

This program is for individuals who are unemployed and those considering a career in warehousing and distribution.

**Program Start Date: May 2, 2022**

### Requirements to enroll:

- **Proof of vaccination required (14 days after second dose)**
- **50lbs lifting requirement**
- **ability to utilize math and English skills**
- **ability to work early morning or late night shifts**

### The 4-weeks of training is paid and covers:

- Heavy equipment certification in Raymond Easi Reach, Counter Balance Forklifts, and Walkie End Rider
- Practical work experience in an actual warehouse, transportation and logistics environment in the LIL Training Program
- \$15.75 / hour with 37.5 hours per week supporting the community at North York Harvest Food Bank.

**95% attendance is required to graduate.** After completing four weeks of intense essential skills training, you will have certified experience working with large-scale warehousing and distribution organizations to create pathways to full-time employment.

Graduates will be given preferences for currently existing opportunities in **Mississauga, Brampton, and Bolton.**

People must be able to commute to one of the sites.

**Work opportunities start at \$18+/hour.**
