

Lifestyle and Program Manager

The Life Enrichment and Program Manager is responsible for the high level managerial functions of the Valleyview Residence Program & Recreation Department as well as providing support and oversight of the Forestview Retirement Residence Life Enrichment Department.

The Life Enrichment and Program Manager is responsible for developing and coordinating meaningful programs and services to meet the social, physical, intellectual, emotional, and spiritual needs of all residents. Assists in maintaining a safe and secure environment for residents, visitors and other staff members. All duties are performed in the best interest of the residents and their families, and in accordance with Advent's vision, mission and values statements.

The full job description can be found at www.adventhealth.org – About Advent – Career Opportunities.

Interested candidates should send their cover letters and resumes to Nathan Horniachek, nhorniachek@adventhealth.org
