

Nurse Clinician and Continuous Quality Improvement Leader

Valleyview Residence is seeking a Nurse Clinician & Continuous Quality Leader. This position takes the lead in the homes' Continuous Quality Improvement Program and is responsible in fostering a culture of continuous quality, risk management and education. This position also focuses on best practice guidelines and processes in accordance to the Home's policies and procedures, the current Act and associated Regulations governing the operation of long-term care homes in Ontario, College of Nurses of Ontario (CNO) and other pertinent legislation within long-term care.

The full job description can be found at www.adventhealth.org – About Advent – Career Opportunities.

Interested candidates should send their cover letters and resumes to Nathan Horniachek, nhorniachek@adventhealth.org
